ELE Wealth Solutions, Inc. provides securities services by means of its own internal operation and those of its other affiliated and unaffiliated third-party providers such as mutual fund and variable life insurance sponsors. ELE Wealth Advisors, Inc. acts as an introducing broker to its product sponsors, who in turn process the transactions and act as the account custodians. All of the above-named parties receive and maintain information about you that is related to and necessary for processing investments in your account.

The information that we have comes directly from you. This includes such information as your name, address, and Social Security Number that you provided on applications, agreements, or other forms. In addition, we maintain records of each of your transactions and holdings processed by us. We also may obtain information about you, such as your credit history or other facts relating to creditworthiness, from a consumer-reporting agency.

### **Important Information About Procedures for Opening a New Account:**

To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask for your driver's license or other identifying documents.

### **TO WHOM DO WE DISCLOSE THE INFORMATION**

ELE Wealth Advisors, Inc. does not sell your non-public personal information. We provide information about current or former clients from the sources described above to parties outside of this firm only as described below:

**To other companies as necessary to process your business.** For example, we process your mutual fund and variable annuity transactions through product providers with whom we have dealer selling agreements. These parties must limit their use of the information to the purpose for which it was provided.

**Where required by law or regulation.** Examples include responses to a subpoena, court order or regulatory demand.

**As authorized by you.** You may direct us, for example, to send account statements or other account information to a third party.

**As otherwise authorized or permitted by law.** For example, the law permits us to respond to a request for information about you from a consumer-reporting agency.

### **CONFIDENTIALITY AND SECURITY**

We restrict access to information about you to those employees and authorized agents who need to know that information in order to provide products or services to you. We maintain physical, electronic and procedural safeguards to maintain the confidentiality of your information through to its destruction.
